# Our Games

- EXPANSIVE GAME LIBRARY
- MULTI-DEVICE PLAY
- FEATURE-RICH MECHANICS
- SPEED OPTIMIZED
- GLOBAL LANGUAGE SUPPORT
- IMMERSIVE GAMEPLAY
- ADAPTABLE RTP
- PROVEN FAIRNESS & SECURITY

## BUY FEATURES

Where available, many of our games come with the ability for players to buy one or more Bonus Features. So whether it's to trigger something exciting in the base game or head straight to the Free Spins, we make it possible!

## GAMBLE FEATURE

Let players experience a traditional gamble feature by taking a chance to double their win on red or black. With the option to halve, players can also choose to gamble with half of their current win and keep the other.

## SYNOT PROGRESSIVE BONUS

Designed to enhance player engagement and extend session times, the Synot Progressive Bonus has 4 levels with no additional setup required.

## FREE ROUND BONUS & FEATURE FREE ROUND

**Free Round Bonus** delivers free spins across top or selected titles. **Feature Free Rounds** adds spins that include special features, ideal for VIP campaigns.

# Player Engagement & Acquisition Kit

**Reach the *PEAK* of your performance!**

A cutting-edge retention tool that empowers operators to create and run highly engaging promotions, designed to elevate iGaming experiences through gamification and competition. Seamlessly integrating with existing SYNOT games offerings, PEAK combines advanced technology with a user-friendly design, making it easier than ever for operators to launch compelling promotions

- Enhances Player Engagement & Loyalty
- Increase Interaction
- Achievement of Revenue Goals
- Quick and Easy Promo Management
- Compliance with Regulations

## GAME DETAILS

Engage in dark arts to gain powerful hexes and rewarding Free Spins in Voodoo Mystery; a 5x3 video slot with 10 paylines and a supernatural charm. Random features enchant the reels by either transforming or adding Mystery symbols to them. The skull symbol on reels 2, 3 and 4 triggers 7 free spins, during which a colossal Mystery appears. Don't be scared if 6 or more Mystery symbols don't result in a win - you'll be in for a second chance!
